Emerging Developer Initiative in Southwest Minnesota

Providing professional support of new housing developers from rural communities and Native Nations

MHP is bringing the Emerging Developer Initiative to Southwest MN this summer! This **FREE** training series will increase knowledge and skills of new, emerging housing developers in rural areas.

Our curriculum is **open to ALL** who are interested in learning about housing development at all experience levels.

Together, we can help increase local housing supply and support individual and community wealth building!

Kicking off in early June of 2025.

Join us for a 6 month training track followed by 6 months of hands-on learning alongside a developer!

MHP WILL PROVIDE:

- Participation stipends
- Financial aid for training & education opportunities
- Peer to peer learning opportunities
- Custom-designed Housing Opportunity Workshops on:
  - Project feasibility & design
  - Site assembly & acquisition
  - Development management
  - Accessing funding

WE WANT YOU TO SUCCEED!

Open to all in

Big Stone, Swift, Kandiyohi, Meeker, Chippewa, Lac qui Parle, Yellow Medicine, Wright, Renville, McLeod, Lincoln, Lyon, Redwood, Sibley, Blue Earth, Faribault, Martin, Jackson, Nobles, Rock, Pipestone, Murray, Brown, Cottonwood, Nicollet, and Watonwan **counties**, and **tribal nations** Upper Sioux Community and Lower Sioux Indian Community
