2026 MHP INVESTORS CIRCLE

INVEST IN THE TRANSFORMATIVE IMPACT MHP MAKES IN MINNESOTA & BEYOND

ABOUT MHP

37 years

Since 1989, MHP has been a leading advocate for housing people can afford, a critical source of housing research, and a prominent provider of housing and community development assistance across Minnesota and nationally.

3 Focus Areas

MHP advances collaborative housing efforts to ensure all Minnesotans have an affordable place to call home through three primary program areas: Community Development, Research, and Policy Advocacy.

Our state needs at least 100,000 more homes so that all of our families and neighbors can have a roof over their heads.

100,000

MHP is driving bold solutions to our growing housing problem. We need more homes of every type in every corner of the state.
